## Report Summary

This report details findings against the following:

- the *Standards for Registered Training Organisations (RTOs) 2015* (Standards for RTOs),
- the *National Vocational Education and Training Regulator Act 2011* (the NVR Act).

Where non-compliance has been identified, the provider is accountable for identifying and correcting non-compliant systems, practices, and behaviours, particularly those that have had a negative impact on students.

Correcting a non-compliance may require:

- correcting a process or system that has led to the non-compliance, and implementing a revised process or system.
- identifying the impact on students and carrying out remedial action for current and past students.

This report describes ASQA's assessment of the provider's evidence submitted in response to the requests, as part of a compliance monitoring activity.
